Welcome to Wayward Ranch, where all of the animals are safe, loved, and well cared for!

My name is Frankie and I'm a dog with big grey spots! I am a big guy who loves belly rubs!

Hey there! My name is Rakum and I am a guinea pig that found my forever home thanks to Wayward Ranch!

All animals need love, even little guys like me! My favorite snacks are red peppers, like the one I'm eating now, so grab a red crayon or marker and start coloring it in!

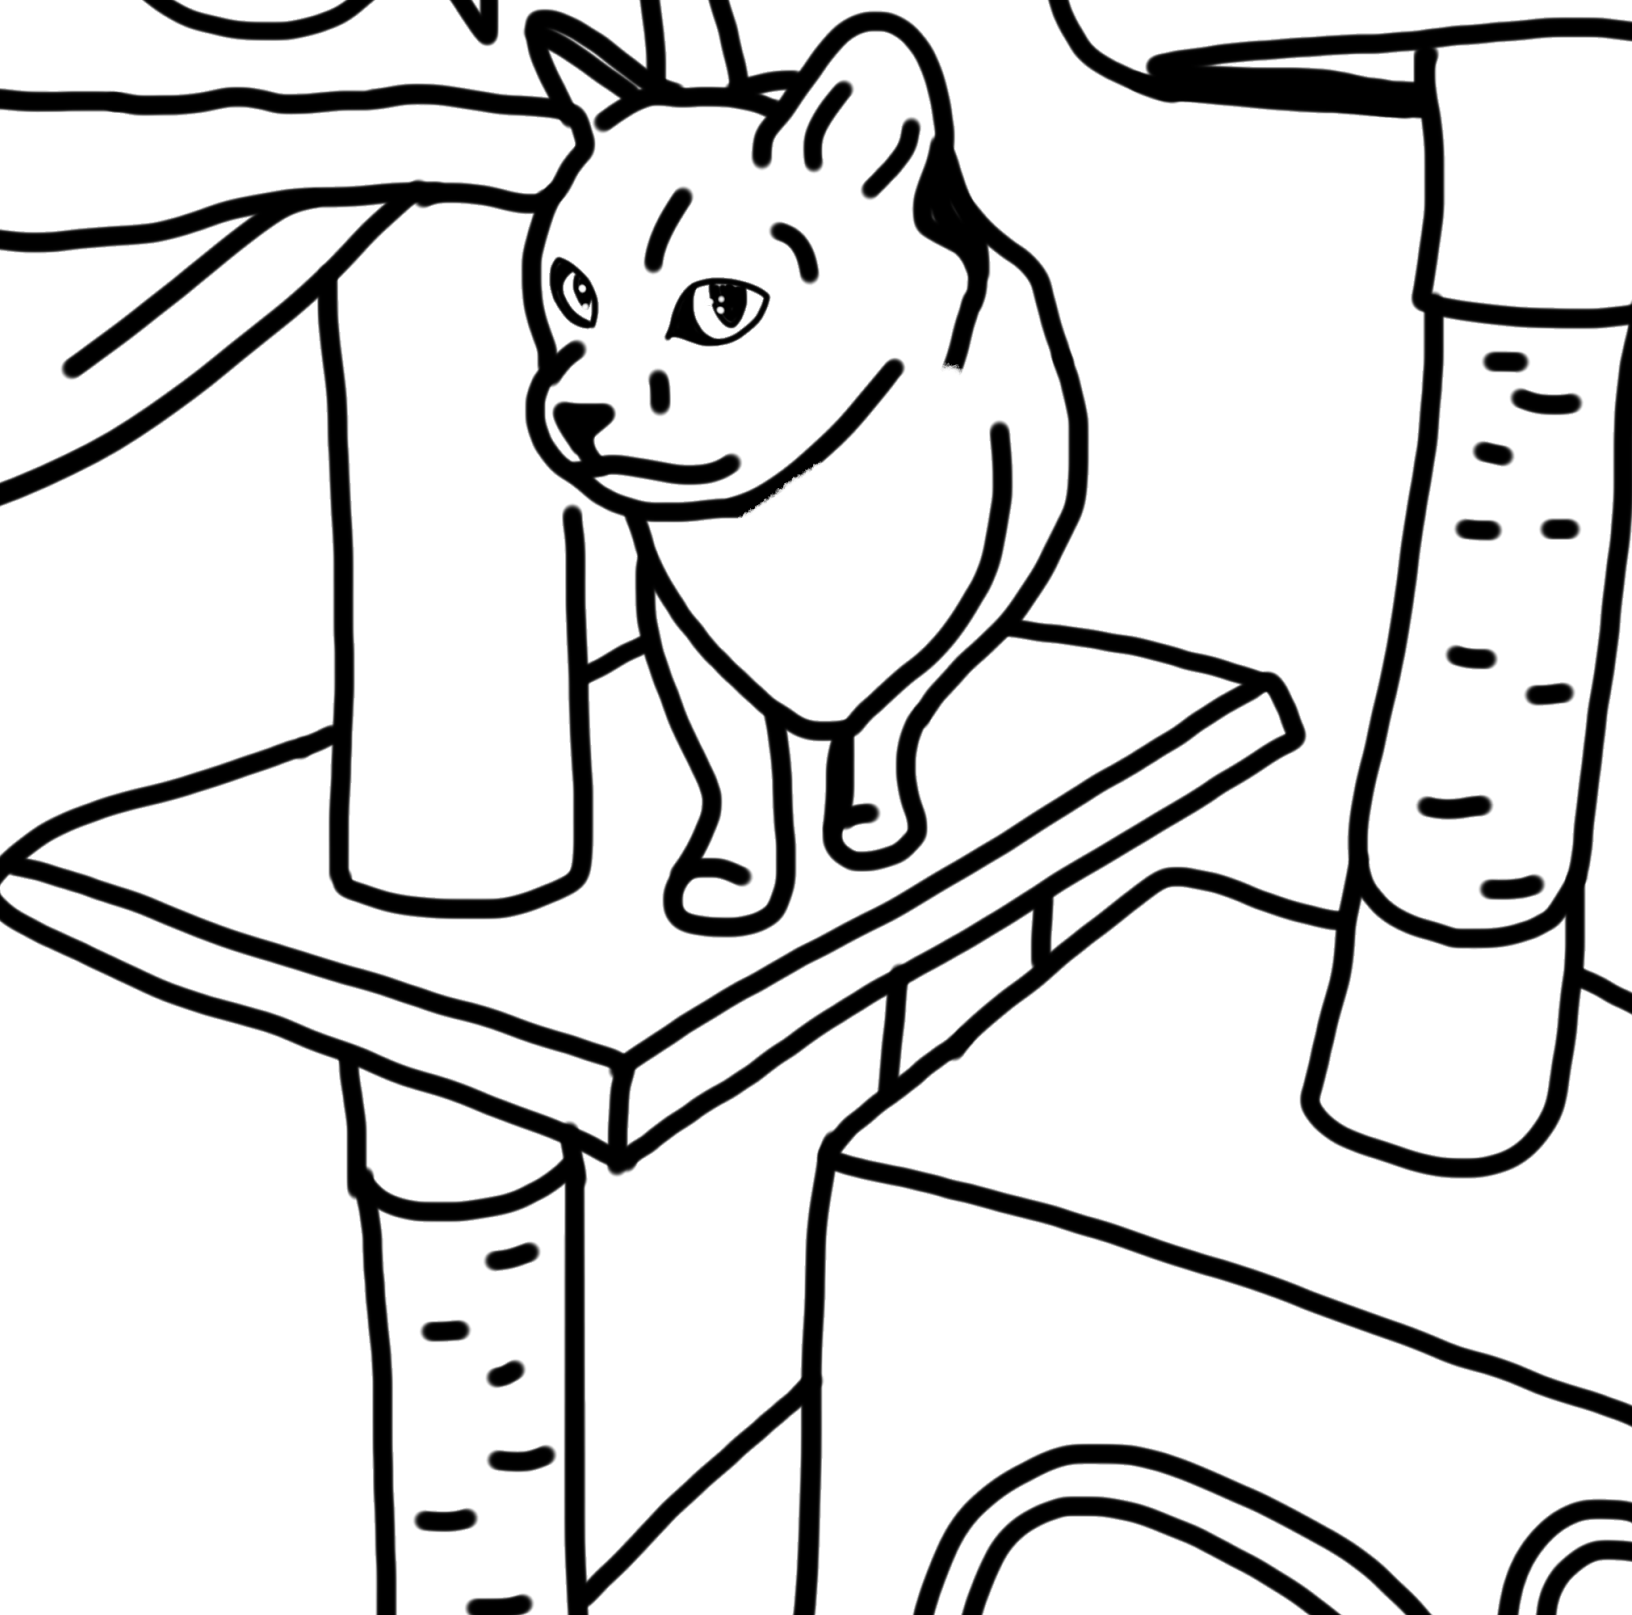

My name is
Montana and I am
a big beautiful
horse! I actually
am pretty famous
since I use to be a
race horse!

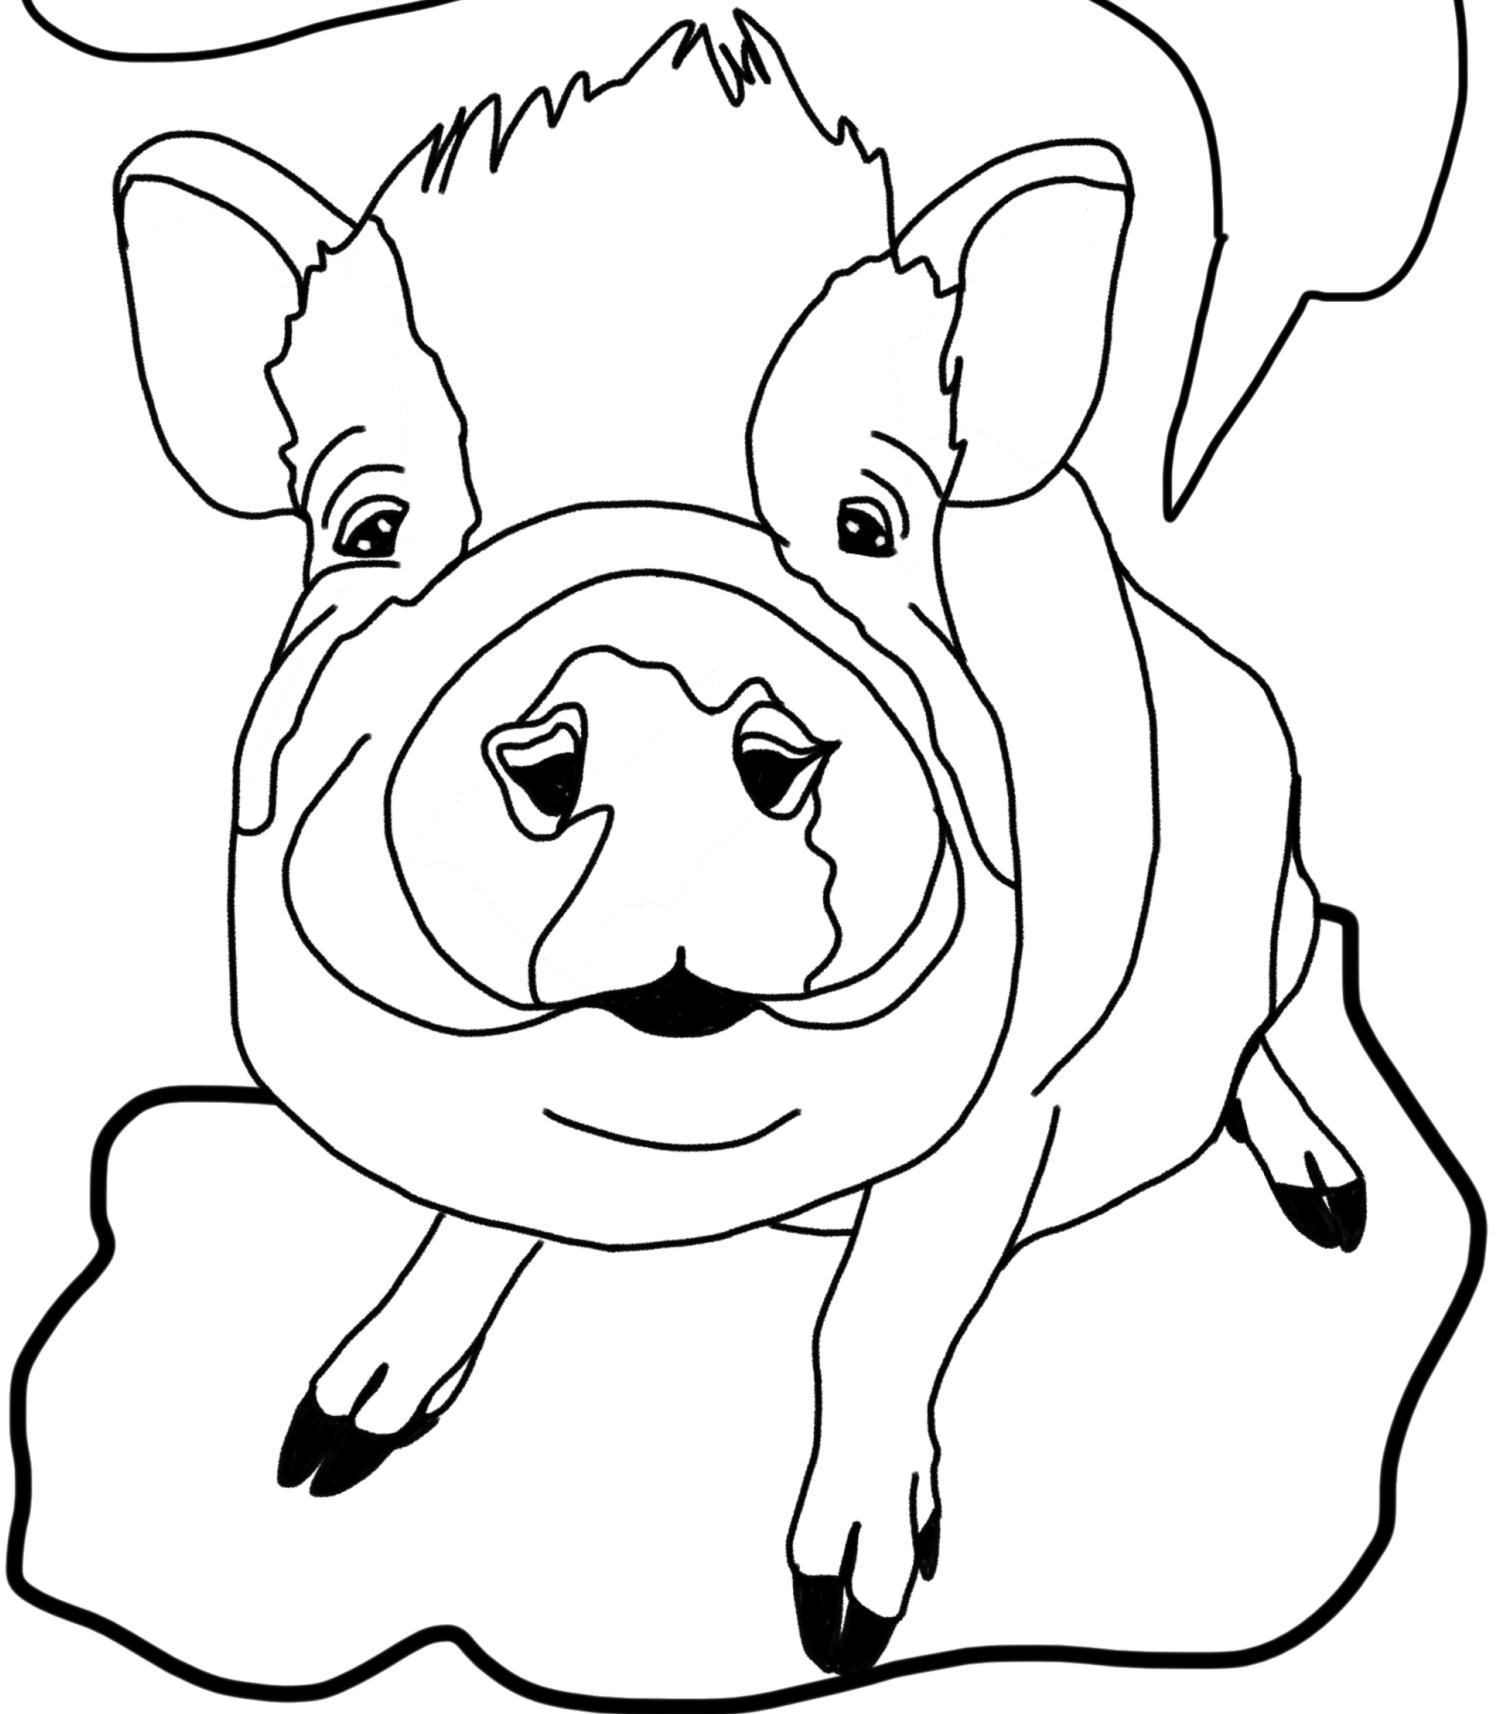

After I got too old
to race, I needed a
safe place to live,
and Wayward
Ranch became my
home!

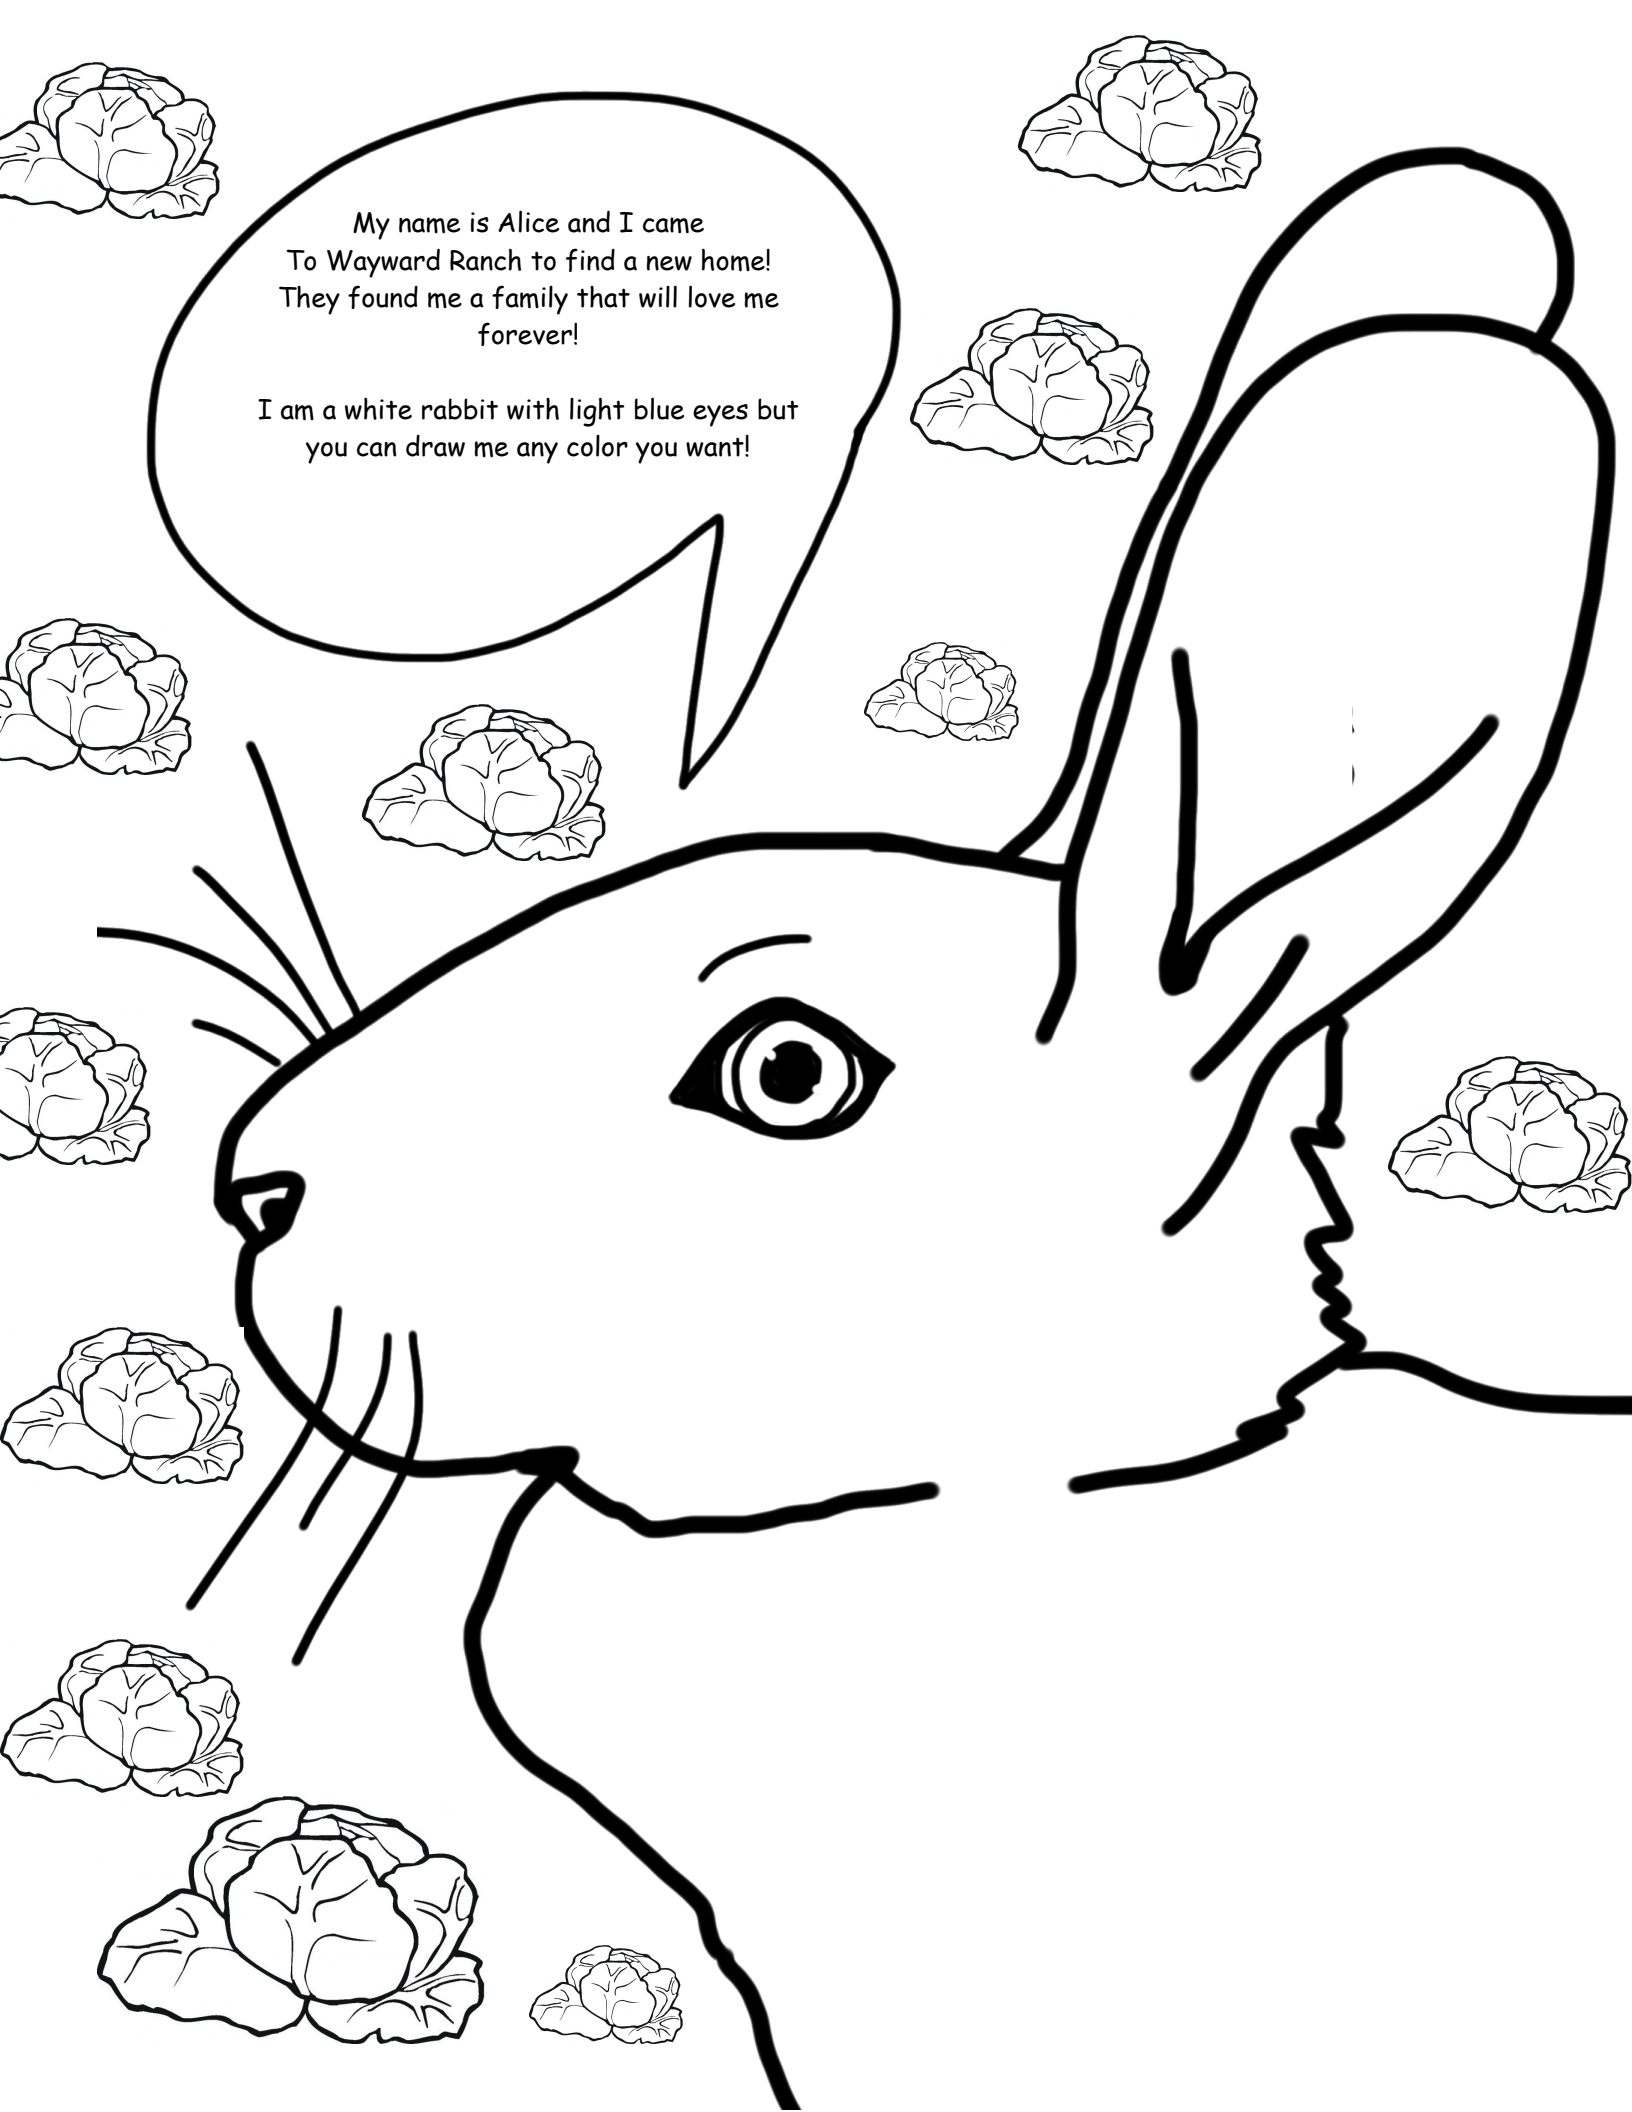

My name is Loki and
I am one curious cat!
I came to Wayward
Ranch when I needed
to find a new home
and they found me
one in no time!

My name is Ed and I am a pig! Did you know pigs are actually really clean?!

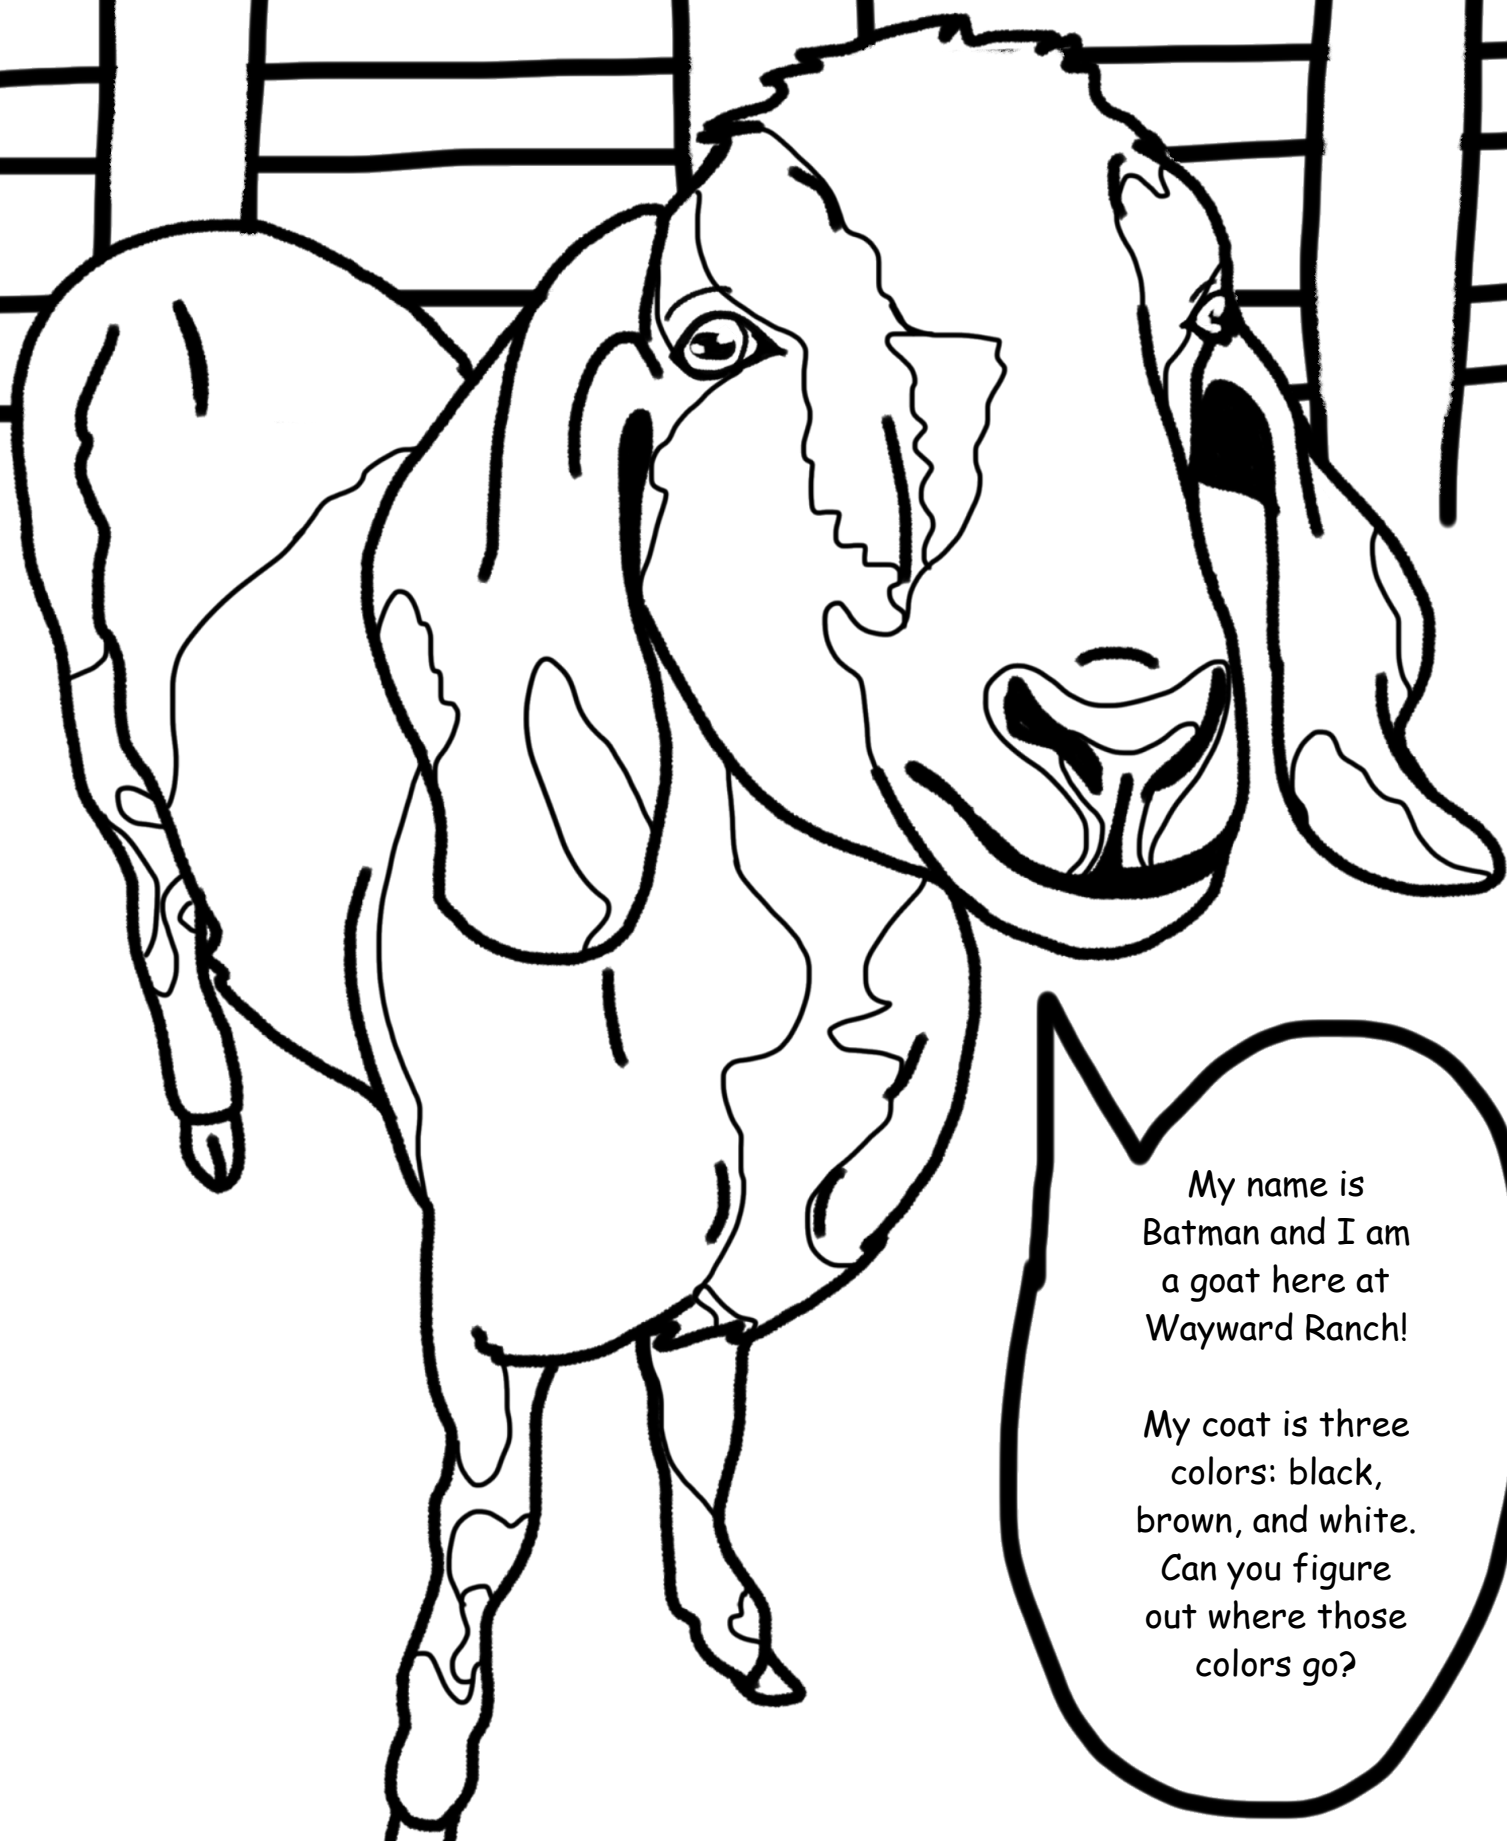

I love this mud puddle but then I'll be sure to keep my bedroom nice and neat when I come inside!

My name is Alice and I came
To Wayward Ranch to find a new home!
They found me a family that will love me
forever!

I am a white rabbit with light blue eyes but
you can draw me any color you want!

My name is
Batman and I am
a goat here at
Wayward Ranch!

My coat is three
colors: black,
brown, and white.
Can you figure
out where those
colors go?

This is our barn and it can fit any animals you can think of! You've already seen that we take care of guinea pigs, rabbits, cats, dogs, pigs, goats, and horses. Draw more animals below that you think might live at Wayward Ranch!
